UNIVERSITY OF HORTICULTURAL SCIENCES, BAGALKOT

NO./R/UHSB/Advt.7/HK/524/2019-20   Date: 10.07.2019

NOTIFICATION

Sub: Detailed qualifications for the various teaching posts– reg.

* * * * *

A. Professor:

1. Fruit Science:

i.   An eminent scholar with Ph.D. qualification(s) in the **Fruit Science** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated journals of not less than 4 in the previous cadre.

ii. A Master's Degree with at least 55% marks or equivalent.

iii. A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.

iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
     A minimum score as stipulated in the prescribed Score Card.

2. Floriculture & Landscape Architecture

i.   An eminent scholar with Ph.D. qualification(s) in the **Floriculture & Landscape Architecture** discipline and published work of high quality actively engaged in research with evidence of published work with a minimum of 10 publications as books and/or research/policy papers, of which at least five papers in NAAS rated journals of not less than 4 in the previous cadre.

ii. A Master's Degree with at least 55% marks or equivalent.

iii. A minimum of ten years of experience in teaching/ research/ extension of which at least a minimum of 2 years in the cadre of Associate Professor in the in the pay band of Rs.37400-67000 in university/college, and/or experience in research at the University/National level institutions/industries, including experience of guiding candidates for research.

iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process.
     A minimum score as stipulated in the prescribed Score Card.

B. Associate Professor:

1. Vegetable Science

i.   Good academic record with a Ph.D. Degree in the **Vegetable Science** disciplines.

ii. A Master's Degree with at least 55% marks or equivalent.

iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.

iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.

v.   A minimum score as stipulated in the prescribed Score Card.

2. Plantation, Spices & Medicinal Aromatic Crops

i. Good academic record with a Ph.D. Degree in the **Plantation, Spices & Medicinal Aromatic Crops** disciplines.
ii. A Master's Degree with at least 55% marks or equivalent.
iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.
iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
v. A minimum score as stipulated in the prescribed Score Card.

3. Floriculture & Landscape Architecture

i. Good academic record with a Ph.D. Degree in the **Floriculture & Landscape Architecture** disciplines.
ii. A Master's Degree with at least 55% marks or equivalent.
iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.
iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
v. A minimum score as stipulated in the prescribed Score Card.

4. Post Harvest Technology

i. Good academic record with a Ph.D. Degree in the **Post Harvest Technology** disciplines.
ii. A Master's Degree with at least 55% marks or equivalent.
iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.
iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
v. A minimum score as stipulated in the prescribed Score Card.

5. Agril. Entomology

i. Good academic record with a Ph.D. Degree in the **Agril. Entomology** disciplines.
ii. A Master's Degree with at least 55% marks or equivalent.
iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.
iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.
v. A minimum score as stipulated in the prescribed Score Card.

6. Fruit Science:

i. Good academic record with a Ph.D. Degree in the **Fruit Science** disciplines.
ii. A Master's Degree with at least 55% marks or equivalent.
iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of

published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.

iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.

v. A minimum score as stipulated in the prescribed Score Card.

7. Plant Pathology

i. Good academic record with a Ph.D. Degree in the **Plant Pathology** disciplines.

ii. A Master's Degree with at least 55% marks or equivalent.

iii. A minimum of eight years of experience in teaching/research/ extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with evidence of published work and a minimum of 5 publications as books and/or research/policy papers, of which at least three papers in NAAS rated journals of not less than 4 in the previous cadre.

iv. Contribution to educational innovation, design of new curricula and courses, and technology – mediated teaching learning process with evidence of guiding candidates for research.

v. A minimum score as stipulated in the prescribed Score Card.

8. Food Process Engineering

i. Good academic record with Ph.D. degree in the **Food Process Engineering / allied** disciplines.

ii. ' A master degree in Processing and Food Engineering/ Post Harvest Engineering and Technology/ Food Process Engineering/ Food Process Engineering and Management/Agricultural Process Engineering/Agricultural Processing and Structures with at least 55 % marks or equivalent.

iii. A Bachelor degree, B.Tech (Agricultural Engineering) with specialization in Processing and Food Engineering or B.Tech (Food Engineering) or B.Tech (Food Process Engineering) is an essential qualification.

iv. A minimum of eight years of experience in teaching / research/extension in the cadre of Assistant Professor or in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/Industry with evidence of published work and a minimum of 5 publications as books and/or research /policy papers, of which at least three papers published in NAAS rated journals of not less than 4 in the previous cadre.

v. Contribution to educational innovation, design of new curricula / courses and technology mediated teaching learning process with experience of having guided post-graduate students' research.

vi. Minimum score as stipulated in the prescribed Score card.

C. Assistant Professor:

1 Fruit Science

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Fruit Science** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

2. Spices & Plantation Crops

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Spices & Plantation Crops** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

3. Soil Science & Agril Chemistry

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Soil Science & Agril. Chemistry** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

4. Floriculture & Landscape Architecture

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Floriculture & Landscape Architecture** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

5. Vegetable science

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Vegetable Science** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

6. Plantation, Spices, Medicinal Aromatic Crops

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Plantation, Spices, Medicinal Aromatic Crops** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

7. Post Harvest Technology

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Post Harvest Technology** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by

the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

8. Crop Improvement and Biotechnology

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Crop Improvement and Biotechnology** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

9. Agril. Microbiology

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Agril. Microbiology** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

10. Agronomy

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Agronomy** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared

the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

11. Crop Physiology

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Crop Physiology** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

12. Agril. Economics

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Agril. Economics** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

13. Biochemistry

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Biochemistry** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

14. Computer Science

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Computer Science** subject from a recognized University.

ii. NET is compulsory along with one publication in refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

15. Physical Education

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Physical Education** subject from a recognized University.

ii. NET is compulsory along with one publication in refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

16. Seed Science & Technology

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Seed Science & Technology** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

17. Agril. Statistics

i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in a **Agril. Statistics** subject from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Ph.D. with course work is exempted for the post of Assistant Professor of Physical Education, Library Science, Computer Science, English and Statistics. However, the candidates must possess Ph.D. degree with at least two publications.

iv. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

18. Food Processing Engineering

i. Good academic record with at least 55% marks or its equivalent at the master degree level in a relevant subject (Processing and Food Engineering/ Post Harvest Engineering and Technology/ Food Process Engineering/ Agricultural Process Engineering/Food Process Engineering and Management) from a recognized University; after completing B.Tech (Agricultural Engineering) or B.Tech (Food Engineering) or B.Tech (Food Process Engineering) with 4 year degree from recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET in the concern discipline before last date of submission of application. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less

than 4 on or before the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Doctoral degree is desirable in relevant subjects/disciplines.

19. Food Processing Technology

i. Good academic record with at least 55% marks or its equivalent at the master degree level in a relevant subject (Food Technology/Food Science and Technology) from a recognized University; after completing B.Tech (Food Technology) or B.Tech (Food Science and Technology) or B.Tech (Food Technology and Management) or B.Tech (Food Process Engineering) or B.Tech (Food Science) or B.Tech (Agricultural Engineering) or Bachelor degree in Farm Science with 4 years from a recognized University.

ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET in the concern discipline before last date of submission of application. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on or before the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

iii. Doctoral degree is desirable in relevant subjects/disciplines.

Common Criteria for the Post of Assistant Professor:

As per the UGC Notification published in the Gazette of India on dated 11.07.2016 for NET exemption to the candidates registered for Ph.D. programme prior to 11.07.2009, ICAR in its letter dated 09th March 2017 has approved that NET essentiality for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted, for the candidates registered for Ph. D. prior to 11.07.2009 shall be exempted subject to the following conditions.

1. Ph.D degree of the candidates awarded in regular mode only.
2. Evaluation of the Ph. D. thesis by at least two external examiners.
3. Open Ph. D. viva-voce of the candidate had been conducted.
4. Candidate has published two research papers from his/her Ph.D. work out of which at least one must be in referred Journal.
5. Candidate has made at least two presentations in conference/seminars, based on his/her Ph.D. work.

Note: VI (1) to (5) as above are to be certified by the Vice – Chancellor / Pro – Chancellor / Dean (Academic Affairs)/Dean (University Instructions).
