- 1) An eminent scholar having a Ph.D. degree in the **Plant Pathology** discipline, and published work of high quality, actively engaged in research with evidence of published work, with a minimum of 10 research publications in the peer-reviewed or UGC-listed journals.
- 2) A minimum of ten years of teaching experience in university/college as Assistant Professor/ Associate Professor and / or research experience at equivalent level at the University/ National Level Institutions with evidence of having successfully guided doctoral candidate, out of which two years of service/experience in the cadre of Associate Professor shall be mandatory.

Soil Science & Agricultural Chemistry:

- 1) An eminent scholar having a Ph.D. degree in the **Soil Science & Agricultural Chemistry** discipline, and published work of high quality, actively engaged in research with evidence of published work, with a minimum of 10 research publications in the peer-reviewed or UGC-listed journals.

- 2) A minimum of ten years of teaching experience in university/college as Assistant Professor/ Associate Professor and / or research experience at equivalent level at the University/ National Level Institutions with evidence of having successfully guided doctoral candidate, out of which two years of service/experience in the cadre of Associate Professor shall be mandatory.

B. Associate Professor:

Genetics & Plant Breeding:

- 1) A good academic record, with a Ph.D. Degree in the **Genetics & Plant Breeding** discipline.
- 2) A Master's Degree with atleast 55% marks (or an equivalent grade in a point-scale, wherever the grading system is followed).
- 3) A minimum of eight years of experience of teaching and / or research in a academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution with a minimum of seven publications in the peer- reviewed or UGC-listed journals.

Soil Science & Agricultural Chemistry:

- 1) A good academic record, with a Ph.D. Degree in the **Soil Science & Agricultural Chemistry** discipline.
- 2) A Master's Degree with atleast 55% marks (or an equivalent grade in a point-scale, wherever the grading system is followed).
- 3) A minimum of eight years of experience of teaching and / or research in a academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution with a minimum of seven publications in the peer- reviewed or UGC-listed journals.

Crop Physiology:

- 1) A good academic record, with a Ph.D. Degree in the **Crop Physiology** discipline.
- 2) A Master's Degree with atleast 55% marks (or an equivalent grade in a point-scale, wherever the grading system is followed).
- 3) A minimum of eight years of experience of teaching and / or research in a academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution with a minimum of seven publications in the peer- reviewed or UGC-listed journals.

Agricultural Extension Education:

- 1) A good academic record, with a Ph.D. Degree in the **Agricultural Extension Education** discipline.
- 2) A Master's Degree with atleast 55% marks (or an equivalent grade in a point-scale, wherever the grading system is followed).
- 3) A minimum of eight years of experience of teaching and / or research in a academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution with a minimum of seven publications in the peer- reviewed or UGC-listed journals.

Food Processing Technology:

- 1) A good academic record, with a Ph.D. Degree in the concerned/relevant/allied disciplines.
- 2) A Master's Degree in **Food Technology / Food Science and Technology / Processing and Food Engineering / Post Harvest Engineering and Technology / Dairy Science and Technology / Food Process Engineering / Agricultural Process Engineering** with atleast 55% marks or an equivalent.
- 3) A Bachelor degree in B.Tech (Food Technology) or B.Tech (Food Science and Technology) or B.Tech (Food Technology and Management) or B.Tech (Food Process Engineering) or B.Tech (Food Science) or B. Tech (Agricultural Engineering) or Bachelor degree in Farm Science with 4 years from a recognized University.
- 4) A minimum of eight years of experience of teaching / research / extension in the cadre of Assistant professor or in an academic / research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/Industry with evidence of published work and a minimum of 5 publications as books and / or research/policy papers, of which at least three papers published in NASS rated journals of not less than 4 in the previous cadre.
- 5) Contribution to educational innovation, design of new curricula / courses and technology mediated teaching learning process with experience of having guided post-graduate students' research.
- 6) Minimum score as stipulated in the prescribed score card.

C. Assistant Professor:

Agro meteorology:

- 1) Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Agro Meteorology** subject from a recognized University
- 2) NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.
- 3) NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

Nano-Technology:

- i. Good academic record with at least 55% marks or its equivalent at the Master's Degree level in **Nano-Technology** subject from a recognized University.
- ii. NET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted. The candidate must have cleared the National Eligibility Test (NET) conducted by the UGC, CSIR, ICAR or similar test accredited by the UGC like SLET/SET. Essentiality of NET can be waived-off for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations

2009, and the candidate has at least two full length papers in journals having a NAAS rating not less than 4 on the last date of submission of application. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

- iii. NET/SLET/SET shall not be required for such Master's Programmes in disciplines for which NET/SLET/SET is not conducted. However, the candidates must possess Ph.D. degree with at least two publications.

Assistant Librarian

A Master's degree in Library Science, Information Science or Documentation Science or an equivalent professional degree from an Indian University, or an equivalent degree from an accredited foreign University, with 55% marks (or an equivalent grade in a point-scale wherever the grading system is followed) and A consistently good academic record, with knowledge of computerization of a library. Besides fulfilling the above mentioned qualifications, the candidate must have cleared the National Eligibility Test (NET) conducted by the UGC/ ICAR/ CSIR, or a similar test accredited by the UGC, like SLET/ SET or who are or have been awarded a Ph.D. Degree in accordance with the University Grants Commission (Minimum Standards and Procedure for Award of M.Phil/ Ph.D. Degree) Regulations, 2009 or 2016 and their amendments from time to time as the case may be exempted from NET/SLET/SET.

Common Criteria for the Post of Assistant Professor / Assistant Librarian:

As per the UGC Notification published in the Gazette of India on dated 11.07.2016 for NET exemption to the candidates registered for Ph.D. programme prior to 11.07.2009, ICAR in its letter dated 09th March 2017 has approved that NET essentiality for recruitment to the post of Assistant Professor and equivalent in the disciplines in which NET is conducted, for the candidates registered for Ph. D. prior to 11.07.2009 shall be exempted subject to the following conditions.

1. Ph.D degree of the candidates awarded in regular mode only.
2. Evaluation of the Ph. D. thesis by at least two external examiners.
3. Open Ph. D. viva-voce of the candidate had been conducted.
4. Candidate has published two research papers from his/her Ph.D. work out of which at least one must be in referred Journal.
5. Candidate has made at least two presentations in conference/seminars, based on his/her Ph.D. work.

Note: VI (1) to (5) as above are to be certified by the Vice – Chancellor / Pro – Chancellor / Registrar / Dean (Academic Affairs)/Dean (University Instructions).

BY ORDER,
Sd/-
(DR. T. B. ALLOLLI)
REGISTRAR
